CURBSIDE BULK COLLECTION

Curbside **bulk trash** collection is **available weekly** for items that are too large to fit in your garbage cans such as **furniture, mattresses, and yard waste**.

REMINDERS

For **weekly bulk trash** items, please remember to:

- Place items curbside the night before or **no later than 7 am** on your scheduled collection day.
- **DO NOT** place bulk trash **within five feet** of trees, mailboxes, parked cars or utilities.
- **DO NOT** include construction material, oil-based paints, and hazardous materials such as pesticides and household chemicals in your bulk trash.
- **Cardboard boxes** should be placed in your **Recycling**; not with bulk trash.
- **Improper placement** could result in a Code Enforcement violation and fine.

Appliance collection requires a **prior appointment** by calling WM at 786-450-5699 **BEFORE** setting appliances curbside.

A separate **fee applies**. To prevent potential accidental death by suffocation, F.S. 823.07 **requires customers** to remove doors from large appliances prior to setting out for collection. To prevent release of greenhouse or other harmful gasses, refrigerants must be evacuated by an EPA-certified technician prior to setting out refrigerators, freezers, and air conditioners.

For appliance collection,
call WM at 786-450-5699.
